MEMORANDUM FOR DEPUTY SURGEON GENERAL OF THE ARMY
DEPUTY SURGEON GENERAL OF THE NAVY
DEPUTY SURGEON GENERAL OF THE AIR FORCE

SUBJECT: Centralized Credentials Working Group

At its 22 April 1993 meeting, the Joint Service Quality Management Committee recommended an effort be undertaken to develop centralized credentials management tools. When completed, these tools should reduce the paperwork involved when providers move between DoD MTFs.

We are forming a working group under the leadership of LtC(Sel) David Litts to carry out this task. The group will convene its first meeting at 1000, 8 June 1993, in Pentagon room 3E-596.

Please identify the person(s) within your organizations who will best facilitate the successful completion of this work and provide name(s) to LtC (Sel) Litts, (703)695-6800/DSN 225-6800.
